CONTRACT

Please read carefully.

I understand that registration in 218 Academy is a **semester-long** commitment on the part of the student and his or her teacher(s). The student or parent is required to pay the full tuition once the student is enrolled in 218 Academy; withdrawal from the program does not release me from my contract to pay the tuition, as the instructors are committing their time to me/my child.

I have chosen one of the three payment options, as described on the Registration Form. There is a \$25.00 registration fee each semester for students choosing a payment option other than the Semester payment plan. Tuition is non-refundable. I understand that I am responsible for providing the necessary materials for each class, as requested by my/my child's instructor.

Make-up lessons will be scheduled at a convenient time for the student and instructor, provided that the instructor is notified of the student's absence at least 6 hours prior to the lesson time. An absence will be treated as excused under the following circumstances: an extreme emergency, a death in the family, or student illness. One make-up lesson will be granted due to a student canceling for reasons that are not listed above. Make-up lessons will be granted in the case of inclement weather at a convenient time for the student and the instructor.

I have read and understand the terms of this contract and my/my child's enrollment in 218 Academy. I understand that my tuition and registration fee are non-refundable.
